

***Top Ten Reasons You Should Use Precision Glass for Your Next Auto Glass Replacement***

10. You have the right to choose your installer
9. Your cost is going to be your deductible - your insurance pays the balance
8. No Knockoffs - we use only OEM supplier glass
7. No Rookies - your installer will have a minimum of 20 years experience
6. In shop or at your location - no extra cost
5. Full warranty against leaks for as long as you own your vehicle
4. Convenient scheduling – usually within 24 hours of your call
3. Approved for service by all major insurance companies
2. We manage the Insurance company interface for you

And the **#1** reason to hire Precision Glass & Mirror...

**Precision will pay the first \$50 of your insurance deductible for you. Just mention "Top Ten" list when scheduling replacement to receive credit through 12/31/14.**

No comprehensive coverage? NO PROBLEM!! Call 596-GLAS for competitive pricing.
